

Nottinghamshire Scouts – Training

Module Details

LTS – Safety for Managers and Supporters

Objectives

- Detail their duties and responsibilities for the safe operation of Scouting in their Group, District or County.
- Describe their role in approving and/or supporting activities that do not require formal activity permits (weekly meetings, visits and trips, activities in Terrain Zero, Class C waters etc.).
- Explain the InTouch system, medical details, age restrictions and other safety and welfare requirements for the range of activities available in Scouting.
- Explain how the Policy, Organisation and Rules (POR) and activity factsheets detail the requirements and provide guidance for a range of Scouting activities.
- Describe the insurance requirements of The Scout Association and state those events and activities for which additional steps must be taken.
- Detail the emergency and reporting procedures to be implemented in the event of an accident or incident, including the reporting of near misses and potential accidents.
- Detail those activities that require specific activity permits.
- Explain and apply The Scout Association's method of risk assessment to Scouting activities and their role in supporting the use of risk assessments before and during Scouting activities.
- Explain the requirements and procedures necessary to gain an activity permit and describe their role in the process.
- Understand the role and responsibilities of the leader in charge.
- Explain the importance of creating a culture of safety within their area, and describe the measures they can take to promote this.
- Explain the requirements and procedures necessary to gain a night's away permit and describe their role in the process.

Learning Opportunities
